Welcome to our Volunteer Village tutorial! Below is a step-by-step process to set up an account on Volunteer Village. Please e-mail ewbgt.webmaster@gmail.com with additional questions.

1. Navigate to ewb-usa.org/myewb/

2. (Pictured below) Click Log in to Volunteer Village.

3. Click sign-up at the bottom right of the center box.
4. Enter in your basic info on the center of this page. Note: E-mail must be your e-mail associated with EWB-GT. Password must have a number and letters. Stay on this page for the next step!

5. Click on the magnifying glass on the right of the previous page. Enter “Georgia Institute of Technology” as your chapter, and click on the account name. Finish by clicking “ok.” You should now be a member! Congratulations!
